Pastor Candice

Grace & Peace to you!

Staffing…
It is Faith's constant challenge! Having enough staffing, the right staffing, and keeping them forever is our never-ending goal. It's a good challenge to have. Many churches aren't large enough to require more than a pastor and secretary. We are blessed at Faith to need a larger staff, with expertise across an array of ministries.

Which brings me to my point: With recent changes in staffing and continued growth in membership, we are (again) on the hunt for a second pastor!

This is welcome news, as we have a history of being a two-pastor parish. And there is ample opportunity here for an Associate Pastor to make an impact and contribute to the growth the Holy Spirit has blessed us with these last 5 years.

So, this past month, our Council voted to open a Ministry Site Profile (MSP) on our Synod website for an Associate Pastor with an emphasis on Youth and Family ministries. This means our Synod will begin searching for candidates that fit our needs. As those candidates avail themselves, Bishop Busboom will recommend them to us for an interview with our Call Committee. The Council also voted to appoint Sheri Engel as the Call Committee Chair. She will work with a team of folks responsible for interviewing candidates as they become available.

What can you do???

I'm so glad you asked! Please pray. Pray for the Holy Spirit to match Faith Lutheran Church with a pastor who is ready for a fast-paced, missional church. As a staff, we are ready to welcome a new friend and partner in ministry. And I know our Church Council is ready for a new voice to add to our choir of servant-hearted leaders!

If you have questions, please don't hesitate to reach out to me, Eunice Peterson, or Sheri Engel. We are all excited and ready for this opportunity to bear fruit!

Peace & joy,
Pastor Candice Wassell

In reading John 21: 15-17, three times the Resurrected Jesus asks Simon Peter if he loves him. As Simon tells Jesus, yes, Jesus directs Simon son of John to feed his people. First Jesus says, "Feed my lambs," then "Take care of my sheep," and a third time, "Feed my sheep."

This is exactly what we do during Monday Night Community Meals, Easter Breakfast, Lent and Advent Wednesday evening soup suppers, and the Community Thanksgiving Dinner. We fill people with food, with fellowship, and with prayers. These are great services to our congregation and our community, and they happen because of YOU!

Monday Night Community Meals has a great track record of feeding people from our local community. Guests come from Schnucks, the Colonnade Senior Living, Revela Senior Living, along with families with kiddos. Some guests take enough meals for the entire week, some people take multiple buses from surrounding towns to eat and do their laundry, and some take showers. This has truly become a community staple for

these people.

Many of the original people are still serving on Monday nights. Some are ready to step down to nourish their souls with something new. We all need change as we grow in our faith.

The GOOD NEWS is this makes room for YOU! I encourage you, along with your teenage children, friends, or neighbors, to sign up and volunteer for once a month at Community Meals. Make it a family service time together. Guests love to see children helping and enjoy fellowship time with them. YOU may help to take orders and serve the food, YOU may be part of the clean-up team, YOU may become a certified cook and make the casseroles, and YOU may serve from the kitchen – assisting the lead cook. Many of us have servant-hearts, looking for where we can serve more at Faith. YOU are needed. YOU are welcome. Monday Night Community Meals needs YOU!

Please pray about this and contact me, Betsy Layfield (Community Meals coordinator), or Janet to get more information and become part of this great team.

Blessings as we serve our community and Jesus.

Eunice Peterson
Congregational President

Admin's Turn

Remember the old saying, April showers bring May's flowers? I don't know about you, but I think we had enough rain in March! I'm looking forward to all the new growth coming up, the early spring flowers showing us their color, and creation waking up from the winter quiet!

I am looking forward to seeing our Easter cross come alive during Easter services on April 5! **Services will be 8:00am, 9:30am, and 11:00am**. ***Breakfast*** will be served from 8:30am-10:45am. We will also have a ***Resurrection Egg Parade*** with the kiddos after the 11am service in the Faith Center. So many opportunities to awaken from our winter quiet with a joyous celebration of our resurrected Savior! I hope you have made a plan for your Easter Sunday!

Synod Assembly! Faith sends three voting members plus Pastor Candice to the annual gathering of all the churches in our Synod for a weekend of learning, networking, and business meeting. Maybe you have heard what those who have gone before experienced and thought you would like to go but can't take the time off work to attend the "away" meeting. Well, if that is you, you are in luck! This year's annual meeting of the synod will be a one day zoom event! There is an orientation zoom on May 28th from 7-8pm and then the actual business session with a bible study themed **For the Work of Ministry** will happen on June 6th from 9am-3pm. Faith covers the cost of the meeting and will also give you a Door Dash or GrubHub gift card to purchase your lunch during the session. If you are intrigued about attending or would like more information, please let me know.

I am looking forward to ***PYC Sunday*** on April 26th! It is such a joy to see the littles that attend Faith's preschool, to hear about what they have been doing, and experiencing a Godly Play with Ms, Susan. It brings me joy and hope every time! We have the BEST preschool-if not in the whole world, then definitely in our community!

I know this is April's newsletter, but I want to give a heads up that May is going to be a rocking month as well. Find a little breather to get you ready for the whirlwind of May – Bells in Motion, end of Sunday school, senior blankets, Music Sunday, and

confirmation to name just a few! Watch the bulletins, make sure you are receiving the mid-week updates (see me if you aren't sure), check the announcement page on our website, and always follow us on Facebook!

Don't forget to reach out to me about the zoom Synod Assembly!!

Youth & Children

Reflecting on the past few weeks, my heart is full seeing our youth and congregation come together in such meaningful ways. From hands-on service to shared meals, the energy in our halls is a testament to the vibrant spirit of this community.

"Be Like Jesus" Weekend Recap
On March 6–7, we hosted our **"Be Like Jesus" Weekend**, and the impact was incredible. We saw **35 youth** dive deep into service projects, worship, and spiritual growth. This wouldn't have been possible without our **55 dedicated volunteers** who stepped up to lead and support. Watching our students embody the servant heart of Christ was truly the highlight of my month!

Lenten Fellowship & Generosity
Our midweek Lenten meals are in full swing, and your generosity has been overwhelming.

- **Summer Camp Support:** A huge thank you to the Youth Board and the Worship & Music team for sponsoring the February 25 meal. Together, we raised **$515** for our summer camp program!
- **Youth Night Meals:** Mark your calendar for **March 25**, as Youth Night sponsors the meal to benefit our ongoing youth programming. Thank you for continuing to pour into the lives of our students through your attendance and donations.

Palm Sunday: "Welcome Jesus" Party
On **March 29 (Palm Sunday)**, we are throwing a massive celebration for the kids! Join us in the **Faith Center from 9:15–10:15 AM**. We'll have farm animals, the bounce house, themed crafts & snacks, and plenty of fun activities to kick off Holy Week.

Easter Breakfast
Join us **Easter Sunday, April 5**, for our annual breakfast in the **Faith Center (8:30–10:45 AM)**. Traci and Patrick Joyce are back at it, whipping up their famous **biscuits and gravy**! We invite everyone to join us for food and fellowship. If you'd like to contribute, feel free to bring a **breakfast casserole, bread, or fresh fruit** to share.

Note: There will be no Sunday School on March 29 or April 5 so families can enjoy these special events together.

Grace & Peace

Programs for Young Children Happenings

Programs for Young Children Happenings: Wow! We have grateful and full hearts at PYC. **Thank you for your support of our Dance-a-Thon!** It was a wonderful success thanks to our generous sponsors. Our students and teachers had a blast dancing, and we are so excited to spruce up and add to our outdoor play areas. Thank you!

We are also grateful to our PYC and church community for spreading the word about our pre-registration season**. Our enrollment for the 2026-2027 school year is almost completely full** in all programs. We will be serving over 80 students in the coming school year. We have just a couple of spots left in our Toddler Time and Playgroups, so please tell your friends. Thank you for sharing information about our little school! PYC is the place to be!

Wondering what makes Faith Lutheran Programs for Young Children so special? Aside from our **play-based, nature-focused, and faith-centered preschool programs**, what really makes our school stand out is **our strong community**. This school year, we've hosted family events such as the PYC Jubilee, PreK Hot Dogs with Dads, Dessert with Loved Ones for our Preschool families, and a favorite for our PreK mommies – A Mommy and Me Tea. We've also invited families to join us for a Dress Up parade in October and a Christmas Singalong to celebrate the birth of baby Jesus in December. Our family field trips to Braeutigam's Farm and the Edwardsville Children Museum allow for fellowship and community building as well. This spring we will wrap up our year with our annual STEAM night and Art Walk. All of these events, combined with parent volunteer opportunities in our classrooms, allow us to form a true partnership with families and build relationships and friendships that will last a lifetime. What a gift!

Please continue to keep our school and the precious families we serve in your prayers. May God's love and light continue to guide us.

Blessings,
PYC Oversight Committee

Community Meals

Wondering if you could be a cook for Community Meals?

Have you ever gotten food poisoning? Food can sometimes contain germs that can make you sick. In some cases, symptoms can be severe. Nausea, vomiting, diarrhea and fever are just a few symptoms. Food safety practices can reduce your risk of getting a foodborne illness, more commonly known as food poisoning.

At Faith, we take food safety seriously. The kitchens are state certified, meaning we have regular inspections by the County Health Department and procedures are followed to prevent foodborne illness. The Community Meals cooks are food protection manager certified (FPMC). To help maintain the high quality of our kitchen and ensure food safety, our Fellowship Board chairs are also FPMC. The FPMC plays a crucial role in preventing foodborne illnesses by overseeing food safety protocols.

What needs to be done to be food protection manager certified? First, enroll in an accredited food safety training program which can be completed online or in person. Pass the 80 question exam with a minimum passing score. Upon completion, you will receive a FPMC certificate which is valid, in Illinois, for five years. Community Meals will reimburse you for the cost of training and in turn, asks for a two year commitment to the outreach ministry.

Being a cook does take time and endurance as it requires physical work. You need a loving heart that is willing to serve others. Please prayerfully consider if this is where you should serve at Faith. Please contact Betsy Layfield, coordinator or Paul Jinks for more information.

Fellowship

Coffee & Donut Team! Are you an early riser? Do you like to get to church early? Fellowship is looking for volunteers to pick up donuts from Wood's Bakery and get the coffee brewing before church starts. Our vision is to find enough volunteers for this task so that each person(s) only needs to volunteer once a month. Training will be provided. Please reach out to Dave Hoffmann or Lin Haskett or any staff member if you feel this is a ministry you would like to be a part of. We appreciate your consideration.

Get Involved! The Fellowship Board is looking for fresh ideas from our members. We would like to form a committee of a few people who would help us continue the goal of the board, which is to provide fellowship opportunities throughout the year. If you have ideas about events, consider joining the team. We would love to consider ways to offer new experiences and expand what fellowship has to offer. Contact Dave Hoffmann, Lin Haskett or any member of the church staff if you feel called to this ministry. Thank you for your support!

Planning & Development

The P&D Committee met on February 24, 2026, to discuss our upcoming retreat. This year, we are planning for a Sunday retreat following the 10:30 service, on either April 26 or May 3.

While we have discussed several potential topics for the retreat, a specific focus has not yet been selected.

Additionally, the 2026 Strategic Plan has been published and can be located on both the P&D webpage, the leadership portal page, or click on the graphic here.

Phase 3 Update

During the last two months, the focus has been on selecting an architectural firm for the project. We issued a Request for Qualifications on January 15th to six companies. On February 18th, we received four proposals. Two companies replied that they didn't have resources for the project.

Our team reviewed the proposals and recommended that we contract with FGMA to provide the architectural planning services and the Council approved contracting with FGMA at their March meeting. FGMA has local offices in O'Fallon. They have extensive experience designing educational facilities for pre-schools and have held contracts with nearly all local school districts. They bid an excellent staffing approach including an education design specialist. We liked their design processes which emphasized close collaboration with the customer and the construction manager. Also, they have had an excellent track record on education projects and projects with churches. In addition to their excellent qualifications, they were the low-price bid.

We are negotiating a contract with FGMA and looking forward to their concepts for our building program.
