Dear Brothers and Sisters in Christ,

What a joy it is to witness the life of Faith Lutheran Church! Over the past year, our congregation has continued to GROW in energy, compassion, and generosity. Every ministry, from feeding neighbors to nurturing children to deepening worship, has been strengthened by your commitment to our shared purpose of **nourishing minds, bodies, and souls** in our community.

This year we celebrate an extraordinary milestone: The final payment of the Phase 2 construction loan was made on July 15, 2026! Through your faithful giving, the loan was completed nine months ahead of schedule**.** With Phase 2 expenses now fully paid, your remaining gifts to the Phase 2 Capital Campaign will help reduce the Faith Center mortgage and strengthen our financial foundation for the next steps.

And there are SO many next steps to take in the coming year! This fall we will begin sharing ministry alongside our new Deacon, Madison (Maddy) Carroll, whose gifts will help deepen and expand our care for one another. We also look toward Phase 3 and the promise of a new Education Center space designed to nurture learning, faith formation, and connection for all ages. And as we step into this season of growth, we invite you to take **your next step** with us by sharing your intentions for budget giving in 2027.

Please look over the enclosed materials and prayerfully consider how you can continue to grow and strengthen our shared ministry in 2027. You can return your estimate one of three ways:

1. Through Faith's website: www.faithofallon.org, using the "Estimate of Giving to the General Fund for 2027" button
2. Placing your completed "Estimate of Giving to the General Fund for 2027" form in the offering plate
3. Emailing your "Estimate of Giving to the General Fund for 2027" form to the Financial Secretary at financialsecretary@faithofallon.org

We ask that "Estimate of Giving to the General Fund for 2027" forms be submitted no later than noon Sunday, October 4th.

Thank you for the many ways you share the blessings God has entrusted to you. Your generosity is a bold witness to the freedom we find in Christ crucified and risen, and to the good this Gospel continues to do in our community.

Peace & joy,
Pastor Candice Wassell & The Stewardship Board
